

The Virginia Department of Transportation has published a complete revision of the *Virginia Work Area Protection Manual* effective January 2003. This Manual replaces the previous issue of the *Virginia Work Area Protection Manual* dated January 1996.

This Manual is Virginia's version of Part 6 of the Manual on Uniform Traffic Control Devices (MUTCD) millennium edition and either meets or exceeds the requirements for temporary traffic control established by the Federal Highway Administration. This Manual may also be accessed on the Virginia Department of Transportation web page at www.VirginiaDOT.org. Future revisions to this manual will be posted on the web site only and it will be the responsibility of the holder of this manual to periodically check the web site and replace revised pages.

When appropriate, please use the Change of Address and/or Ownership form found on the web site to assist us in keeping our records. Please include the name of the previous owner when reporting a change of ownership.
